## 19th ALBERTA DRAGONS HELD FIRST DRILL SATURDAY LAST

The 19th Alberta Dragoons held the first drill on Saturday night. Under the command of Major Harry Strachan, V.C., M.C., a whole troop received their first military lecture and drill. There was a turnout in attendance, who, we understand, will draw their first pay day for the month. The Chauvin squadron will be officially known as the "C" Squadron, and as such will maintain its identity.

## PUBLIC HEALTH NURSE INSPECTS CHAUVIN SCHOLARS

Mrs. Anderson, public health nurse, was busy engaged last week inspecting and making medical examinations of the pupils at the three schools in Chauvin. Reports have been sent to each child's parents, and a general report will be prepared in due course. It is to be pointed out that these medical examinations only reach their ultimate aim and purpose when the parents take the necessary steps to rectify any ailments reported.

## NEW MODERN TRAIN

Show the co-operation of the Canadian National Grand Trunk Railway. The "Continental Limited" between Montreal, Winnipeg and Vancouver. This train is proving a strong attraction for the travelling public to travel via "The National Way." The general consensus of opinion is that the Continental Limited is particularly in Western Canada it is coming to be known as the popular is a train of luxury, comfort and convenience. Details, comprising first-class coaches, tourist and standard sleeping cars, dining car and drawing room library compartment observation car. You will find every comfort in the tourist sleeping cars, or you may enjoy a compartment in the observation car if you desire the greatest comfort in travel.

The route of the "Continental Limited" whether eastbound or westbound traverses a country full of interest to the traveller, not surpassed by any other route. Eastbound Ontario and the far famed "Highlands of Ontario" the great summer district visited annually by thousands of tourists, the fire reaching Ottawa and Montreal. Westbound the "Continental Limited" is the direct artery of travel between Winnipeg and Vancouver, passing through the cities of Saskatoon and Edmonton, Jasper and Mount Robson, the most beautiful mountain country that is not surpassed in America, and as you approach the Coast, the Fraser River canyon is a feature of beauty; in fact the scenery is awe inspiring and majestic. Say "Continental Limited" next time you travel.

For reservations and full particulars apply to local agents, write J. Madill, District Passenger Agent, Edmonton, Alberta.

## SOCIAL MEETING, PROSPECT VALLEY, APRIL 1ST 1921

A concert and ball to be held at place in Prospect Valley on Friday April 1st at 8.30. The proceeds will be devoted to the purchase of an organ for church service. All come and help.

## THE DEAR DEPARTED

Do not miss the play entitled "The Dear Departed" and "Holding Down the Claim" at Prosperity school Friday, April 1st, by local talent, besides songs, recitations etc., followed by a dance, and a good lunch. Gents \$1.00 Ladies 50c and Children 25c.

Pure Drugs—Chauvin Pharmacy

## MORE NEW SETTLERS ARRIVE MORE NEW SETTLERS ARRIVE

Mr. Roscoe, from Prince George, arrived in Chauvin last Friday. He has purchased the Dave Dundas farm, on which land he will farm this year.

Martin Westland arrived the latter part of last week from the States. He will farm on the lands purchased from Mrs. Carline.

The district is happy to extend a very hearty welcome to these new settlers, and wishes them every success in their midst.

## CATTLE STEALING CASE HEARD AT WAINWRIGHT

A cattle stealing case which aroused the interest of the farmers of the force Judge Mahaffey on Thursday and Friday of last week. Perry McDaniel and James Carter, well known farmers and cattle dealers of the Chauvin district were jointly charged with having stolen eighteen head of cattle. The case occupied two days and was heard before a crowded court. Twelve for the crown and eleven for the defence, H. H. Robertson, K.C., appeared for the accused, and A. H. Gibson for the crown.

After hearing the evidence Judge Mahaffey sentenced Carter to one year's suspended sentence and Carter to one year with hard labor at the Fort jail. The latter was allowed his freedom pending an appeal on furnishing his personal bond of \$5,000 on the 25th inst.

James Carter, who had been indicted into helping him. Evidence was adduced to show that a number of cattle were driven from Wainwright to Lashburn, Saskatchewan, and shipped from there to Winnipeg and Chicago. The crown made a strong point of the fact that Saskatchewan does not require brand inspection at the time of shipment.

The owners of the stolen cattle, Peter Godin, George Murray, George Mutch and Guy Danell, complained to the provincial police and an exhaustive investigation by Detective Irvine resulted in the charges against Carter and McDonnell.—Wainwright Star.

## LEALHOLME U.F.W.A.

The monthly meeting of the Lealholm U.F.W.A. was held in the school house, March 13th, seven ladies being present. Mrs. Langille presiding.

Moved Mrs. C. Miller—Mrs. W. Miller, that minutes be adopted as read. Carried.

Moved Mrs. W. Miller—Mrs. Ferguson, that we have a concert and dance on April 1st. Carried.

Moved Mrs. C. Miller—Mrs. W. Miller, that we charge gentlemen 15c and ladies 50c. Carried.

Moved Mrs. Rodden—Mrs. Neil, that we buy ten yards of hosiery cloth for the ladies. Carried.

Moved Mrs. W. Miller—Mrs. Rodden, that we offer to loan the U.F.A. any money they need at present. Carried.

Moved Mrs. W. Miller—Mrs. T. Anderson, that Mrs. Langille's resignation be accepted. Carried.

Moved Mrs. W. Miller—Mrs. Rodden, that last Vice-President Mrs. C. Miller take the chair. Carried.

Moved Mrs. Holbrook—Mrs. Ferguson, that Miss Thilda Anderson be last Vice-President. Carried.

Moved Mrs. Langille—Mrs. W. Miller, that we adjourn. Carried.

MRS. HOLBROOK, Sec. Treas.

## SACRED SONG SERVICE WILL BE HELD FRIDAY

A musical service will be held in Westminster church on Good Friday at 8 p.m. All are invited.

## LOCAL FARMER WINS HIGH HONORS WITH HEREFORD CATTLE AT REGINA SHOW

Artland district has been placed on the Hereford map of Canada, and is marked by a show of honors that rarely fall in such generous quantities to any district, and still less often to a single breeder.

We refer, of course, to the prizes won by our neighbour, J. S. Palmer, with his showing of Hereford cattle at the Regina show and sale. He took ten head with him to this event. He brings back six of the highest prizes: two first prizes; two second prizes; one third prize and the grand championship (female).

In detail these prizes are—  
Best Cow, 1st prize  
Three year olds: 1st, 2nd and 3rd prizes

Two year olds: 2nd prize  
Grand Championship (female)

Amongst the competing exhibitors were to be noted most of the breeders in Saskatchewan, including the government farms; and also from Manitoba, Alberta and the States. But none carried away such a large share of the honors as neighbour J. S. Palmer.

There are a number of interesting facts regarding these cattle that we are able to give our readers. Through the courtesy of Mr. J. S. Palmer who gave us the honor of an interview last Friday. These facts are permitted to be published.

This lot of ten animals cost an average price of \$2,000, and this price was paid for the lot. "Yes," After our suggestion that he had a big capital laid down in his initial outfit and other expenses in regard to starting a herd of purebred cattle, he informed us that it was still profitable, it had cost him around \$150 to raise these animals, per head.

These cattle are raised only on what every local farmer can provide; to wit: they are fed on prairie wool with a ration of crushed oats and crushed barley. They were housed, not in any expensive stable, or barn, but in rough sheds. Until about one week before shipping to Regina they were so unused to handling that it was difficult to do anything with them.

Such were the local animals that won against animals that had been housed in the most scientific structures that could be planned, and beasts that had been blanketed and groomed regularly.

It pays to raise good blooded stock. It pays to feed well. It pays to raise in our midst, and under local conditions such as we all experience.

## CHAUVIN WOMENS INSTITUTE IS WELL REPRESENTED AT

Mr. L. E. Roy and Mrs. D. W. Tuckers, the representatives of the Chauvin Womens Institute put in a full attendance at the convention of the Alberta Womens Institutes, held in Waskatoon last week. They report that the meetings were highly successful, and that they covered a number of things to tell at the next meeting of the Chauvin Womens Institute.

## VETS CONCERT EASTER MONDAY

New and up-to-date items on the program with lots of local colors, together with a military drama, and a variety of songs will be provided for all who attend this concert. Tickets are now on sale. Remember the date; Easter Monday, March 28th.

Mr. and Mrs. Brown, of Donalda who paid a short visit to Mr. and Mrs. R. H. Beattie returned on Sunday to their home.

## NOTES FROM THE NORTH EAST

Congratulations to Mr. J. S. Palmer. Perseverance and success go hand in hand. "On Stanley, etc."

Our mail carrier seems to be having pretty hard luck with his cutter. How many times is that, Bill?

The newly formed local at Frank school intend holding their first ordinary meeting of the Grain Growers Association on Saturday April 2nd. It has been arranged that Councillor Jas. W. Coe will address the meeting and a real good time is sure. A good crowd is looked for. New members are invited. Ladies especially.

What might have been much more serious than it turned out to be was when the team driven by Robert Gordon was crossing the track at Artland last Thursday. The whiffles trees broke and the horses still going on the run brought them with momentum into the road. Gordon was badly shaken, but being that seemed to be alright when he appeared at Brady in the Leaning Minstrel Troupe the same evening.

According to our genial secretary, the telephone company intend installing 22 new phones in the district. Re Long Distance, powers have been obtained from the Sask government to build the line to the boundary of Alberta, and it now only needs Chauvin to link up from their side in order to have long distance.

It is announced that a United meeting of the Grain Growers of the district will be held in the near future. The Marsden local are endeavouring to secure a special speaker for the meeting and the members of the other locals in the district (Brady, Marsden and the newly organized Frank) are looking forward to an interesting time—Watch for details later.

More work for the Census Man. Two returned men have added to their families. Congratulations to Mr. and Mrs. Frank Wright on the birth of a daughter, and to Mr. and Mrs. E. Natross on having a little son.

## MANITOULA LAKE LADIES AID

Our ladies are plodding steadily on and progress is reported and splendidly. Mrs. R. W. W. is president, as president, is backed up with a committee which makes enthusiasm their keynote. At the last meeting it was announced that a sum of \$48.00 was raised at the dance in Brady. There are now 23 members, which augurs well for success. A visiting committee has also appointed and the following ladies are in charge of their respective districts.

Brady ..... Mrs. R. Watson  
Sherlock Lake ..... Mrs. Harvey Smith  
Artland ..... Mrs. Smith.  
Employing committee have been empowered to purchase the necessary materials for the making of pneumonia jackets.

The next meeting is to take place Wednesday April 6th, at the home of Mrs. K. Kitching, Artland, when it is hoped for a good attendance.

The ladies are also anxious of obtaining still more new members. A very worthy object and may they have the success that their efforts deserve.

## MANITOULA GRAIN GROWERS

The concert and dance under the auspices of the grain association, turned out a greater success than was even anticipated. Prospects of a big crowd appeared very when committee man Geo. Masson reported a sale of 30 tickets personally, and when the curtain rose on the first item of the

## R. M. MANITOULA LAKE COUNCIL MEETING

Meeting of Council in the Municipal Hall, Marsden, Sask, on the 14th of March, 1921.

Present: Reeve Chapman, Councillors Ploewman, Lawson, Coe and Bradley.

"The minutes of the special meeting on 1st of March were read and adopted on motion."

The secretary was ordered to send a very strong notice to all who are owing yet for seed grain.

Moved that McMurdo be written to asking him to collect the seed grain loan on A. E. Lamb, \$45 12-47-25-3, Carried.

The secretary was ordered to write Mr. T. H. Saul, Chauvin, asking him to collect an amount from one Robert Smith now living under an assumed name at Edmonton. Mr. Saul to be asked to take this on a commission basis.

Moved that the Telephone account be paid from the cash in general, though this leaves the general account in the air. Carried.

Moved that the roadway to the east of 4 to 16-16-26-2 and one mile at the south of 4-26-2-2 be entered into the street work campaign. Carried.

The secretary was ordered to get Assessment and Tax notices from the Battleford press.

Moved by Bradley that Councillor Lawson look after the affairs of the late Mr. J. W. L. and Carried.

An Application for a license was not granted, and the secretary was ordered to tell the applicant to apply to private persons for his seed.

Moved by Bradley that owing to the financial conditions prevailing at the present time making it impossible for people to meet their instalment hospital bills that we pay these bills at the rate of \$2.00 per day for resident taxpayers, this to be retro-active to the 1st of January 1921. A resident taxpayer will also include the wife if resident, and the children if resident.

Amended by Lawson that the rate be left as at the last meeting until a vote taken at the election decides the matter.

The amendment was put and lost. The motion carried.

Moved that the rate for the school and after considerable discussion it was moved by Ploewman that the rate for municipal purposes for 1921 be struck at 10 mills on the dollar. Carried.

The Court of Appeal is to be the convention who will consider appeals on assessments at the meeting. (copy is here obliterated, we presume the next meeting on 11th of April is meant: Editor).

Moved by Coe that we consult Mr. Livingston, Battleford re the question of the abolition of the 5% of 23-48-26-3. Carried.

Moved that Mr. Roy Graham be paid \$3.00 for repairing his rate posts. Carried.

Moved that Councillor Lawson and the secretary be paid their expenses to the convention amounting to \$30.00 each. Also that the secretary be paid \$10.00 and Mr. W. Coe from his own pocket amounting to \$17.15 Carried.

The Reeve and the secretary-treasurer were appointed as a financial committee.

By-Laws 1-21 re Seed Grain Loan for 1921: Under the authority of the Municipalities Seed Grain Act, 1917, the Council of the Rural Municipality of Manitoula Lake No. 422, enacts as follows:

"This municipality may for the spring seeding season 1921 advance

### R. M. MANITOUL LAKE

#### COUNCIL MEETING

(Continued from front page)  
seed grain credit to resident farmers  
within the municipality, who, owing to  
bad crops and other adverse conditions  
are unable to procure the same,  
and the council may, to enable it to  
make such advances, borrow upon the  
promissory note or notes of the municipality  
the sum of \$6000.00 for the purpose  
of a supply thereof for distribution.

2 The purchase price of all seed  
grain advanced hereafter shall be as  
secured by promissory notes due on demand  
and by registered seed grain liens in favor  
of the municipality on all crops grown from  
seed so advanced and by registration of  
caveats against the lands in respect of which  
the advances are made.

Read a first, second and third time  
and passed in full council this 14th  
day of March 1921

A rough draft of the proposed by-law  
governing pool rooms was read a first  
and second time.

Moved that the meeting do now adjourn  
to meet again on Monday the 11th  
day of April 1921. Carried

### MANITOUL LAKE GRAIN GROWERS

(Continued from front page)  
program the school was absolutely  
packed tight to the doors, and even  
the porch had to be utilized for the  
accommodation of the enormous number.

The fame of the Learning troupe  
had preceded them, and this added to  
the splendid work of the committee,  
who had the arrangements in hand  
accounted for this splendid response  
to the appeal of the Manitou Lake  
local for funds.

In opening the chairman (Mr. Jas. W. Coe J.P.)  
reminded the audience of the fact  
that although the day they were  
celebrating was an Irishman's day,  
yet the St. Patrick himself was a  
Scotchman.

In the course of a witty remark, the chairman  
said the word for the treat that  
was in store for them. The darlings  
from the troupe repeated the excellent  
songs with their own  
ult, and the George Washington  
Green, all led by Pete, Sam,  
Ham, Raatus, Andy, and Zeke kept  
the audience on splendid terms with  
themselves for three hours.

Mr. J. A. Graham, who is secretary of the troupe  
accompanying the various items on  
the organ with her usual grace and  
skill. The songs, selections, duets,  
trios etc., met with well merited  
applause, and the step dance "Mauna  
Parade" by Sam fairly brought the  
house down. How enjoyable the program  
was evidenced by the splendid  
thanks to the troupe for the services,  
cheeks to the troupe for the services.

In replying Pete said he wished to  
plant out a fact that had been  
misapprehension. He said that  
although they had charged a nominal fee  
for their services, yet all they made  
was given to the Annual Xmas Tree  
fund at Learning school, and not, as  
was supposed, divided among them  
personally.

Following the program, lunch was  
served and the Ladies Geo. Masson,  
H. Smith and J. A. Graham  
excelled themselves in this department  
of the evening's fun.

The floor was then cleared for the  
dance or partially cleared, as the  
crowd was of some dimensions, as to  
make dancing difficult for the performers,  
but nevertheless, everyone had  
an enjoyable time. Four o'clock  
brought the "Home Sweet Home"  
waltz, and the crowd gradually dispersed,  
each saying they had had the  
most enjoyable time of the year.

Too much cannot be said for the efforts  
of those who were instrumental in  
making this concert such a success,  
and Messrs Geo. Masson, Smith,  
Graham and Gar Laws are to be  
especially mentioned in this respect.  
It was announced that the total of  
\$18 was taken in and after deducting  
necessary expenses \$3 was handed  
over to the Secretary-treasurer

## ODDFELLOWS BALL

A pleasant time was spent at St. Patrick's day by those attending the Odd-fellow's Ball. The music was good, and the floor not too crowded, and all the dancing one wished. Lunch was obtained at the Alberta Cafe, and the crowd went home in the wee small hours well pleased.

## CHAUVIN DISTRICT U.F.A NOTES

The storm prevailing Saturday last prevented the regular meeting of this organization. The president, J. A. Craddock and secretary P. H. Perry alone being present.

The next meeting of the Chauvin district will be held on Wednesday April 6th at 2 p.m.

## G.W.V.A. AUXILIARY MEETING

The regular meeting of the G.W.-V.A. Auxiliary will be held on Saturday afternoon from 2 to 5 o'clock in Mr. Stais office. All members are asked to attend as it will be the first of its kind. It is proposed to make plans for the sale of cooking to be held in April.

## A "DAFFY" PARTY

A "Daffy" party will be given by the Chauvin Women's Institute, on All Fool's day, in the Oddfellow Hall, beginning at 8 o'clock.

Are you willing to be made a fool of, if not come and make a fool of the other fellow, and fifty cents is not too much, is it? for the joy of doing that.

## CENLAC LAKE PROVES

SALTST IN THE WORLD  
What is supposed to be the saltiest lake in the world is at Senlac, Sask. Its salt content runs from 53 to 55 per cent, as compared with 10.7 for Salt Lake in Utah. The lake covers an area of 135 acres, but is only 18 inches deep. It is, however, red by living salt springs, and its level is thus maintained.

## CONGRATULATIONS

Congratulations to Mr and Mrs G. W. Allen on the birth of a son.  
This son of theirs has begun life as a booster for Chauvin. His arrival was heralded in one of the most prominent positions of the front page of the Edmonton Bulletin, by the fol-

## lowing announcement:—

In greeting Edmonton and the world at 12:30 Thursday morning, the infant son of Mr. and Mrs. Geo. W. Allen, Chauvin, Alberta, enjoys the distinction of being the first St. Patrick's Day baby born in the city.  
The birth took place at the Parkview Maternity Hospital 11702 190th Avenue.

## CHAUVIN CURLERS COMPETE

FOR MERCHANTS BAK CUP  
Two rinks left Chauvin Friday to do battle at Wainwright for the Challenge Cup offered for competition for rinks between Telford and Chauvin, Guthrie (skip), Freeman, Stewart, and McKenzie lost by 2 to Clout rinks. Score being Clout, 12, Guthrie 9.  
Code (skip) McDonald, Quan and Rinde had better fortune. They won by 1 against Dunsmore. Score being: Code 12, Dunsmore 11.  
So the Cup was lost by 2 on the whole score.

The boys came back full of praise for the good reception they received whilst at Wainwright.

## CONSERVATION

This little bit of space only, we find ourselves forced to conserve paper and to keep down expenses. In order to do this without loss of reading matter, we have eliminated the large headings and cut out all waste space.

## L.D.S. AUXILIARY TO HOLD

BAZAAR AT RIBSTONE  
The Ladies Auxiliary of the L.D.S. church intend holding a bazaar on March 31 in the Municipal Hall, Ribstone. The ladies will also have a lunch counter at which an excellent lunch may be had at moderate charge. Everybody welcome.

## SCOTT'S SIMPLIFIED

ACCOUNTING SYSTEM  
FOR FARMERS USE

Its forms cover in one book a complete statement of your farm operation—month by month—for a period of five years.

So simple that any man who can read and write may keep a perfect system of accounts.

So accurate that any bank will accept a report based on its showing.

So complete that a farmer can tell at a glance just where he stands financially—where the leaks are in his farm operations.

The only system with which is given a systematized pocket note book, and which simplifies your income tax return.

The system may be obtained from The Chauvin Pharmacy.

To whom would you loan your hard earned cash? To the man who keeps accurate records or to the man who never knows just where he stands financially.

## IMPROVEMENTS MADE AT

WESTMINSTER CHURCH  
Those attending service at Westminster Church were of the opinion that the new platform was a considerable improvement on the old one.

The late circular platform in the north-west corner has been removed and a rectangular one placed at the centre of the north wall. This provides more room for the choir and organ and brings the people and preacher closer. The seating has also been re-arranged.

## CHAUVIN BEATS WAINWRIGHT

Although out of condition owing to their holiday from practice the Chauvin green and white slipped another win over the Wainwright yellow and blacks by a score of 5-3, in a hard fought contest in slim Pierce stood head and shoulders over any thing on the ice; and teaming up with Rodden went through the Wainwright lunch time after time with the prettiest two-man combination seen. This season, Boyd in goal for Chauvin proved himself a hard boy to pass picked off hot ones from all corners as did Rutherford for Wainwright, who had three busy sessions.

A challenge has been issued by Chauvin to Unity holders of the Dawson cup which will likely be played in the near future on Wainwright ice, owing to their ice being out of commission.

Would like any one wanting to send orders for Neale's please to let me know.

FANNIE M. WOODWARD

## TRAVEL WILL PROVE

## GOOD INVESTMENT

In every person's life at some time or other there comes a feeling of utter exhaustion, or as some say "fed up" with a general lack of interest in their everyday surroundings. Hard work is as a rule blamed for this condition, and little is done to remedy it until too late and the family physician is called. Work may be to a certain extent responsible for this condition, but the chief reason is the lack of a change, a relaxation of the mind. Get away for a few weeks vacation, see new sights and how the rest of the world live. Enjoy a change of climate. There are thousands of interesting places in Canada which may be enjoyed either winter or summer, and within easy reach via the Canadian Pacific Railway.

A trip at any season of the year send you back with renewed vigor, broader views and much wiser from the knowledge gained. A postal card to any Canadian Pacific Agent will bring you literature and information desired.

RURAL MUNICIPALITY OF  
MANITOU LAKE, No. 42

Notice Re  
Gopher Poisoning  
1921

The Council of the Municipality are spending considerable money each year for poison for the destruction of money, they consider that it should be spent in such manner as to kill the most Gophers.

It is of no use for the council to get a supply of poison and have it used when the poisoners think they have time to put it out. This system is absolute waste of money, and as it your money the council ask that the Gophers will be poisoned as soon in the spring as they start to come out, and that another dose could be set out about two weeks after the first with good effect.

If any quarters are poisoned by a rat-payer and those adjoining are not poisoned in reasonable time by the ones whom should poison them, the council ask that the location of the poisoned quarters be given to the councillor of the division in which they are in, these lands will then be liable to be entered upon and the poison laid and charged to the owner as are company lands.

The poison for this year is now on hand and will be ready when the time comes to lay it out.

### LETTERS TO THE EDITOR

To the Editor: Chauvin Chronicle

Dears Sir:-

In reference to the words "Teacher quit giving the concert and at once" the teacher of the Separate school would like to give an explanation to the parents.

A piano was purchased for the school and the church. In order to assist in the payment of this, it was thought fit to devise means and ways to realize the payment.

The children organized a cooking sale and made \$32.

They raffled a coverlet and realized \$50.

Then a concert was arranged, \$90. were realized and after expenses had been made the profits had amounted to \$65.. It might be remarked at this juncture that after the concert the examination of the school work took place and it was pronounced very satisfactory by the inspector.

Again it might be mentioned the singing in the concert was the singing given as part of the curriculum of the school. The children rendered their singing before the concert for the Inspector and he declared the production more than satisfactory.

This leads up to the main point of this article viz, the concert was given not merely from a commercial point of view but from an educational point of view and everything given was included in the curriculum of the school.

First of all there was the singing specially chosen from the best composers and with the object in view of teaching the children to appreciate the good and beautiful in music.

Then came the dancing included in the curriculum under the "folk dances," here it may be stated this is not very often taught as part of the curriculum in ungraded schools. It is generally reserved for larger schools. The aim of the Dancing is to teach courtesy and expression and physical exercise. It has really a moral and physical purpose.

The next task was Postament acting, and the children were given a chance to show their talent and to sing.

Then came the educational value of color and arrangement of colors to children in every walk of life. The value of color was brought into prominence in the different shades produced by the dimming of the light by colored papers.

The intensity of color was illustrated when the lights were at their greatest brilliancy.

The tones of colors were shown when neutral gray's were produced.

The harmony of colors was demonstrated in the grouping of colors in the combination of the costumes and scenery so necessary to produce an harmonious scenic effect.

These effects were aimed at and if they were produced in an imperfect fashion the onlooker must consider the motives that prompted them. After all education is many sided and it is only when this many sided education has been arrived at shall there be broad views which embrace everything that is beautiful in life.

The children and teacher wish to thank all those who have in anyway contributed towards the payment of the piano, and they regret when they have been working for the best that their attitude should be so misunderstood.

It has been forgotten to mention the last concert realised \$32. After expenses there were \$60. profit; so total realized is \$97.

It was given at the repeated request of many of the parents and the teacher was not aware of any hostility towards it until she saw the words in the paper in the minutes of the meeting of St Aubins school "Teacher quit giving concert and at once"
